THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Ashland in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Ashland on Tuesday, the eleventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise the sum of \$6,900.00 to defray town charges for the ensuing year and make appropriation of the same.

3. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the Fire Department, including the services of the firemen and the expenses of the Fire Alarm System.

4. To see if the Town will vote to raise and appropriate the sum of \$500.00 for resurfacing Washington Street; \$500.00 for resurfacing Thompson Street; \$5,000.00 for Winter Maintenance; \$3,000.00 for Summer Maintenance; and \$2,000.00 for Overdraft; or a total of \$11,000.00; \$1,500.00 of the said sum to be kept in reserve by the Selectmen for plowing and snow removal for the latter part of 1947.

5. To see if the Town will vote to raise and appropriate the sum of \$500.00 for oiling town roads.

6. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for the support of the Welfare Department including Town Poor.

7. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the support of the Plymouth Hospital.

8. To see if the Town will vote to raise and appropriate the sum of \$315.97 for Town Road Aid in conjunction with the State.

9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the increase and support of the Town Library.

10. To see if the Town will vote to raise and appropriate the sum of \$1,700.00 for the District Nurse Association.

11. To see if the Town will vote to raise and appropriate the sum of \$135.00 for the Observance of Memorial Day.

12. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be held in reserve as heretofore for the purpose of erecting a School Assembly Building.

13. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for Bridge at saw mill which is recommended by the Budget Committee and approved by the State Tax Commission in 1946.

14. To see if the Town will vote to raise and appropriate the sum of \$500.00 to erect a bathhouse on Squam Lake, at or near Squam Bridge.

15. To see if the Town will vote to authorize and empower the Selectmen to borrow money in anticipation of taxes and that the note or notes evidencing such borrowing be payable one year and from the taxes of the current year.

16. To see if the Town will vote to raise and appropriate the sum of \$300.00 for White Pine Blister Rust.

17. To see if the Town will vote to raise and appropriate the sum of \$180.00 for the Lakes Regions Association.

18. To see if the Town will vote to authorize the Selectmen to appoint the Highway Agent the same to go into effect in March of 1948.

19. To see what action the Town will take to order the Selectmen to cooperate with a Building Committee to consist of five members to be nominated and chosen at this meeting for the following purposes:

- A. To construct a Town Hall Building which shall include an auditorium, with stage and a gymnasium at a cost not to exceed the sum of money consisting of \$48,000.00 as was authorized in Article 21 of the Warrant of the Meeting of March 12, 1946, plus the \$25,000.00 previously raised at the rate of \$5,000.00 annually plus the accumulated interest on this sum;
- B. To select appropriate plans for the proposed building;
- C. To contract according to plans finally selected for the construction of the proposed building on the site of the present Town Hall;
- D. To cause the demolition of the present Town Hall when the construction contract shall have been signed;
- E. To begin actual construction as soon as expedient;
- F. To supervise construction until final acceptance of the finished building;
- G. To pay for the same, according to contract, out of the funds described in Section "A" of these purposes.

20. To see if the Town will vote to establish a Recreation Commission as provided in Sections 37-38, Chapter 51, Revised Laws of New Hampshire 1942. The Commission shall be authorized to exercise the powers provided for in Section 34, Chapter 51, Revised Laws of New Hampshire 1942.

21. To transact any other business that may legally come before said meeting.

Given under our hands and seal this nineteenth day of February, in the year of our Lord nineteen hundred and forty-seven.

REPORT OF SUPERINTENDENT OF SCHOOLS

Changes in Teaching Staff

This present year a total of nine new teachers—56% of our total staff—are teaching in Ashland for the first time. The list of newcomers is as follows:

Name	Graduate of	Experience
Robert N. Tapply, Headmaster	Keene and Fitchburg	8 years
Howard R. Kimball, Principal of Elementary School	University of N. H.	3 years
Mary Virginia Agnew, Commerce	Salem	
Antonina Dziob, Music	N. E. Conservatory	
Phyllis Gordon, Physical Education	Plymouth	
Martha Keniston, Grade 1	Plymouth (summer schools)	25 years
Ruth Kimball, Home Economics, Keene		3 years
Ethel Pratt, English	Keene	
Robert G. Windheim, Physical Education	Notre Dame	4 years

In the present situation of scarcity of qualified teachers, we are fortunate to have all positions filled. The prospect of being able to secure suitable candidates in the next few years is very doubtful; and teachers' salaries, increasing sharply because of a nation-wide shortage of trained teachers, are certain to be higher next year than now. In December, the school board voted a flat increase of \$200.00 to be added to this year's contract rates, which was accepted by the teachers with the understanding that it will be subject to final confirmation and approval by vote of the school district on March 11.

Buildings and Grounds

Following the completion of a survey of the school grounds, which revealed that we own a sizeable playground area which, although nearly level, was covered with rocks and trees, the school board has made a start toward developing this for playground use. The land has been cleared, the large rocks removed, and most of the area smoothed by the use of a bulldozer. This space, being about 330 feet long and 140 feet wide at its narrowest point, will be adequate for many of the school's physical education activities during fall and spring months.

One unforeseen result of the removal of trees from this area was the increased heating problem at both schools, as on cold days there is no protection from the wind in any direction. It is difficult to keep the upstairs rooms comfortable in severe weather. Perhaps a job of insulation would be of some advantage.

Physical Education

During the war, physical education received much attention and was added to the curriculum of many high schools. In Ashland, classes for both boys and girls were instituted, meeting four periods per week for classes above the eighth grade, and once a week in junior high school.

This work deserves attention throughout the elementary grades also. Some plan of organized playground supervision and instruction at stated periods during the school day, as well as after school and during vacation periods, is a real need. Attention to physical development should not wait till high school years to be provided.

Changes in State Administration

The new commissioner of education, Edgar Fuller, is making changes in the organization and policy of the State Department which are of significance to all. Of these changes, two are briefly mentioned here.

In his policy of expanding the services offered by State Department personnel, Mr. Fuller has brought to us Gertrude Lewis, who is an expert in methods of

teaching reading and other elementary subjects. Miss Lewis conducted in October an institute for elementary teachers at Meredith Center. Then while working in this area in December, she spent one day working with individual teachers in Ashland, and also conducted a meeting of teachers in this union to help with their difficulties and to offer suggestions for improving their work.

The policy of the State Department also proposes that a greater share of school costs be borne by the State; and in order to put this into effect, a law is under consideration (House Bill No. 12) which should help to prevent excessive increases of local tax rates in future years. If this bill becomes a law, funds from the State treasury will be available to all districts, the amount varying with the size of schools and local needs.

School Marks and Promotions

Report cards are looked upon by most parents as a true indication of the success or failure of their children in school; but this is not always the case. When John and Mary received A and B on their cards last year, and the teacher this year marks them C and D, the parents naturally suppose the children are not learning as well and often blame the teachers. The difference may be that the new teacher demands more, setting higher standards for her class, and really teaching just as thoroughly as any former teacher has done. The teachers are not encouraged to give high marks except for really superior work.

Promotion to the next grade should depend upon various factors; not only marks in class, but mental maturity, ability to grasp the new work of the next grade, reading skill, etc. In deciding what grade a pupil should enter next September, the question we try to answer is, "Where will this child learn most, and progress best, next year?" If the work of the next grade will seem each day like a mountain to him, so that he will give up trying, perhaps he needs review. Each case has to be decided on the basis of the best good for the pupil concerned. We hope for understanding and cooperation between parents and teachers in

helping to do at all times what is best for the children
in our schools.

Respectfully submitted,

ALMON W. BUSHNELL,

Superintendent of Schools.

REPORT OF HEADMASTER

I herewith submit the report of the Headmaster for the school year 1946-1947.

Testing and Guidance

The Testing and Guidance program introduced by Mr. McCarthy, has been helpful in counseling the seniors in the choice of occupations or colleges. It is hoped that this program can be carried on each year and expanded to other classes.

Student Activities

Student Clubs include Camera Club, Crafts Club, Glee Club, Debating, Personal Typing for those who want to type for their own interests, Journalism, and Knitting Club. The Journalism group have been helpful in keeping the townspeople informed of the activities of the school.

Remedial Work

The English Department has been holding special classes for students who need help in reading and vocabulary. This work has been very helpful to the students and it is hoped that this program may be extended to other departments.

Sports

Ashland High School continues to maintain its high standing in competitive athletics. Both the boys' and girls' basketball teams had very successful seasons. A program of intramural games were carried on in physical education classes. Junior Varsity teams have played limited schedules. Various members of the Varsity squads have given much of their time to coaching Junior High School teams and have carried them through a successful season.

An extensive athletic program of this type is very helpful, not only in building fine bodies but also in creating better mental and physical coordination and sportsmanship. The necessity for better facilities to

carry on such a program has made itself manifest this year with the large attendance at games which limited the playing space and also the limited accommodations for shower and dressing rooms which are a very necessary part of such a program.

The Town Hall at the present time does not provide adequate playing space or spectator room. The existence of present fire laws will prevent us from using the balcony for spectators in the future. Without the use of this part of the building as a source of income to carry on athletics, we will be unable to carry on our present programs for next year.

Noon Lunches

We have been able to secure the services of Mrs. Moody to do the cooking for hot lunches for the students. With the addition of new equipment we are able to serve a larger number than before. At the present time we are serving over 100 meals a day. This program is invaluable in that it provides the children with a balanced, hot meal, while they otherwise would have to eat cold sandwiches, or walk long distances at noon. It is hoped that before long we shall have a dining room ready so that everyone may be served at once.

To the Superintendent, School Board, parents and students, my sincerest thanks for the fine cooperation for the short time I have been in Ashland.

Respectfully submitted,

ROBERT N. TAPPLY,

Headmaster.
